CyberCon Romania

Shaping a secure digital future together

Key Facts about CyberCon Romania

International Recognition

CyberCon Romania is the only regional conference to receive the prestigious **Cyber Outstanding Security Performance Award (Cyber OSPA)** – a global mark of excellence in cybersecurity.

Prestigious Venue

The latest editions were hosted at the **Representation of the European Commission in Romania**, an EU hub for dialogue, exchanging ideas, and sharing best practices.

Hybrid Format

Bringing together **onsite and online participants**, the event combines digital and in-person formats to enhance accessibility and engagement.

Diverse and High-Level Audience

Participants come from the **military, law enforcement, public sector, private companies, and academia**, encouraging valuable cross-sector dialogue.

Leading Voices in Cybersecurity

Distinguished **keynote speakers** and **expert presenters** share forward-thinking insights, real case studies, and global best practices.

Global Participation

Attendees and speakers from **multiple countries** highlight the **international relevance** of cybersecurity and the importance of **global cooperation**.

Strong Institutional Partnerships

Supported by **many valued partners from academia and institutions**, the conference promotes broad engagement and trust.

Scientific Core

CyberCon Romania includes the **International Conference on Cybersecurity and Cybercrime (IC3)**, a scientific event organized by RAISA since 2014.

Indexed Proceedings

The proceedings of the International Conference on Cybersecurity and Cybercrime (IC3) are indexed in **international scientific databases**, ensuring global visibility and academic recognition.
